

New Street Lights ***(Currently Underway)***

In addition to new street lighting added along The Arbor, 42 new street lights are planned for residential and commercial areas throughout the City. The City has been working with Southern California Edison to use their mapping information to determine which locations in the City are in need of additional lighting.

Final design is underway for Rockfield Boulevard, Bridger Road, Regency Lane, Osterman Road, Burbank and Vista Terrace. Public outreach is complete for locations on Jeronimo Road, Ridge Route Drive, Jasper Hill Road, Malabar Road, Bellcroft Drive, Costa Bella Drive. Installation of street improvements on Muirlands Blvd. began in August 2009.
